# SUJOK INTERNATIONAL CONFERENCE

## 18th & 19th March, 2017

International Sujok Association proudly announces **2nd International Sujok Conference** at Rajkot - Gujarat. We are expecting participation from more than 10 countries. Internationally renowned speakers will share their knowledge with one and all. The best opportunity to learn Sujok science from the global leaders. Special discounts for nursing students.

### Benefits of the Conference

- Undergo a complete Sujok course which will help them in healing themselves, using the simple system of Sujok therapy.
- The participants will also have the opportunity to interact with subject experts to gain in-depth knowledge of the therapy and will also sit through paper presentations, research findings and case studies of patients for better understanding.
- Gain confidence after experiencing the simplicity of both needling and non-needle techniques like : moxibustion, seed therapy, color therapy and use of magnets for healing.
- To further stay connected to the subject, one has to enroll as ISA member to get periodic newsletters and updates.
- Books of Professor Park Jae Woo will also be kept for sale at the book stalls, to carry your knowledge home.

# MOU

A wellness mission...!

“Special Enrichment Program” (SEP) for the nursing students to augment their skills in Pain Management & Emergency Care

International Sujok Association have signed an important MOU with Maharashtra Nursing Council. It is very valuable milestone in the history of SUJOK which will benefit approximately 12 million citizens of Maharashtra through nurses.

This MOU with Maharashtra Nursing Council signed with the purpose of implementing a **Special Enrichment Training Program** of Sujok therapy in all Nursing Institutes across the Maharashtra through MNC.

MNC granted a recognition to 20 hours, special course of Sujok therapy focusing on **PAIN MANAGEMENT / EMERGENCY CARE** for the students of nursing faculty in Maharashtra and support ISA as a Nodal agency to implement this project.

This will give us access to over 900 Nursing colleges / Institutes, 56,000+ nursing students every academic year and more than 2 lakh practicing nurses in Maharashtra who got training of Sujok therapy.

# SUJOK

Scientific, Easy, Fast & Complete healing method.

“The great Spirit of Healing and Love is revealed in hands and feet designed similarly to human body”

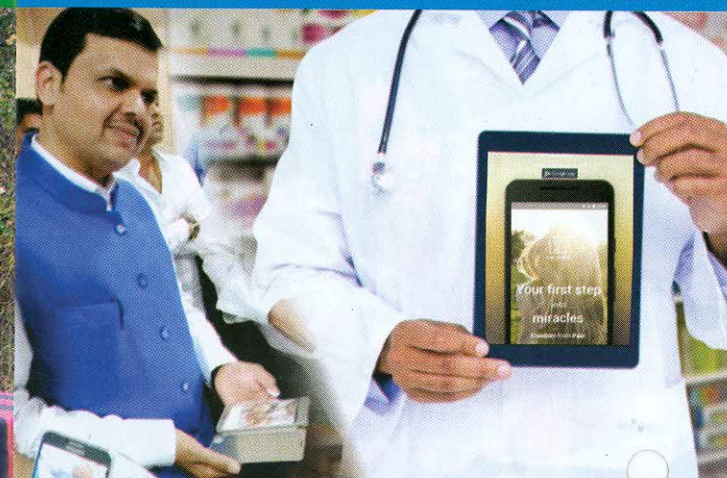

Sujok therapy is founded by a Korean Scientist **Prof. Park, Jae Woo**. SU means a Hand, and JOK means a foot. Thanks to nature, our hand and feet resembled our body in structure. They primarily incorporate the will for treatment and are designed for a human being to use this gift to be healthy. Sujok therapy is a method of treatment by stimulation various points on hand and foot, can be classed with one of the best self-help methods known today. It is much more than just a method of treatment, It is comprehending the basic laws of life, a method that links the ancient classical science with the modern medicine. Due to all this known facts its known as a **LIFE SCIENCE**.

Sujok can effectively treat acute diseases like cold, rhin, coughing, toothache, tonsillitis, sinusitis and chronic diseases like digestive system disorders, emotional disorders, skin disorders, eye problems, spine diseases, joints problems, kidney problems, heart diseases, women infertility, immunity disorders and many more. Sujok has proven as a fastest pain management therapy in the world.
